

FROM THE BLACK HILLS TO THE FRONTIERS OF PHYSICS: A GLOBAL EXPERIMENT BENEATH SOUTH DAKOTA

Tuesday, May 19, 7:00 - 8:30 pm
Surbeck ballroom: SDSMT campus, Rapid City
Liquid-nitrogen ice cream served from 7pm

Join us for a deep
underground journey into
neutrino science, cosmic
mysteries, and liquid-
nitrogen ice cream!

Sponsored by Physics Department,
Society of Physics Students (SPS) & DUNE Collaboration

With Dr Kate Shaw
University of Sussex, UK
